

# 2022 CheeseExpo – Exhibitor Signup Times for New Exhibitors

2020 CheeseExpo exhibiting companies were given the opportunity to lock in an exhibit space for 2022 CheeseExpo. Exhibitors that chose to lock in a 2022 exhibit space have selected their exhibit space.

## **New booth reservations will begin on September 21.**

Companies that have not locked in an exhibit space can sign up beginning September 21 based on the Priority Points system. Exhibitors may login to select a space at any time after their allotted time. Exhibitors are encouraged to sign up promptly for best selection and to secure a space. All exhibitors will sign up and arrange payment for their space on-line; exhibitors can pay with a credit card or choose to be invoiced; invoices will be due in 30 business days.

The [Exhibit Floor Plan](#) will be updated in real time. If space sells out before an exhibitor is able to sign up, that company will be placed on a waiting list. Pricing and exhibit terms are available in the [2022 CheeseExpo Exhibitor Contract](#).

Each company listed in this document will be contacted in advance of their sign-up date to confirm WCMA has the correct name and email for the person who will receive their company's login and password. This person will then receive signup instructions with their unique password for purchasing a booth. Please contact the WCMA Events Team at 608-286-1001 or by [email](#) if you would like to verify the correct email address in advance.

If your company is not on this list, contact the WCMA Events Team at 608-286-1001 or by [email](#).

## 2022 CheeseExpo Exhibitor Signup Times for New Exhibitors: Ranked Order based on Priority Points

Priority Points are calculated using the total number of dollars a company has spent with Wisconsin Cheese Makers Association in recent years. The totals include all purchases related to Conference/Expo; Membership Dues and Advertisements; and Exclusive Golf Outing Sponsorship.

### **Platinum Level Companies**

Platinum Level-Companies are WCMA's top-ranking supporters and have obtained over 100,000 points. Platinum Level companies that have not yet signed up to exhibit will be contacted in advance to select their booth prior to the exhibitor signup beginning September 21.
